# About WorkLink

WorkLink provides FREE scheduled van transportation service in Pittsburgh's Mon Valley region, serving people in East Pittsburgh, Braddock, North Braddock, Swissvale, Rankin, Glassport, McKeesport, and Clairton. WorkLink helps riders travel to vital services and connect to Port Authority bus routes for access to jobs, job training, child care, health care, and other essential activities.

Many of our 2500 regular riders don't own cars, and the areas we serve have such narrow streets, steep hills, and tight turns that they aren't accessible to buses. Without WorkLink's safe, reliable transportation, most of our riders couldn't be as productive as they are.

WorkLink is a community service of Heritage Health Foundation, and is funded by the Federal Transit Administration and the Pennsylvania Departments of Welfare and Transportation, through the Southwestern Pennsylvania Access-to-Work Interagency Cooperative ([www.atwic.org](http://www.atwic.org)).
